Editorial Notes

“Beat Plastic Pollution”

World Environment Day has been started celebrating as an annual event on every 5th of June since 1973 in order to raise the global awareness about the importance of the healthy and green environment in the human lives, to solve the environmental issues by implementing some positive environmental actions as well as to make aware common public worldwide that everyone is responsible for saving his environment and not only somebody, government or organizations working for it.

World environment day was first established to be celebrated every year by running some effective campaigns by the United Nations General Assembly and United Nations Environment Programme (UNEP) in the conference on Human Environment began from 5th to 16th of June at United Nations in 1972. It is a big annual celebration started by the United Nations General Assembly to engage millions of people from different countries across the globe as well as draw attention of political and health organizations to implement some effective actions.

It is celebrated to successfully get carbon neutrality, focusing on the forest management, reducing greenhouse effects, promoting bio-fuels production by planting on degraded lands, use of hydro-power to enhance electricity production, encourage common public to use solar water heaters, energy production through solar sources, developing new drainage systems, promoting coral reefs and mangroves restoration in order to get prevented from flooding and erosion including other ways of environmental preservation.

People of all age groups actively involve during the celebration to save their planet in original form as gifted by the nature. Especially modern day youths and students hugely take part in the celebration through many activities such as clean up campaigns, art exhibitions, motivating people for tree-planting, dance activities, recycling garbage, film festivals, community events, essays writing, poster competitions, social media campaigns and lot more. Many awareness campaigns are also run at schools, colleges and other educational institutions to motivate students towards their environmental safety.
