### **NOTIFICATIONS FOR THE AUTHORS /2014**

We are very much happy to receive the research papers from the authors for publication in Indian Journal of Natural Sciences. The High level advisory committee of the Indian Journal of Natural Sciences was discussed on 10.7.2014 and made the following recommendations and suggestions for the authors to publish research papers.

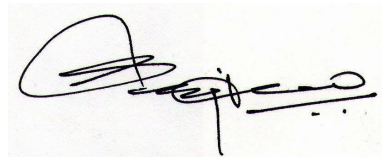

1. The authors should refer the instructions in the web address [www.tnsroindia.org.in/journal/html](http://www.tnsroindia.org.in/journal/html) before sending the paper to IJONS.
2. The Tables and figures should be presented wherever it is needed.
3. Figure legends should be typed in numerical order.
4. All tables and Figures should be designed to be as simple as possible.
5. The reference should be quoted only within the square brackets. The number should be mention within the square brackets. For Ex. [1]
6. The Figures, tables and graphs are should be in the high resolution.
7. The authors should be mentioned the First name, Second name and others and don't forget to mentioned the corresponding author.
8. The name of the corresponding author should be mentioned with designation, affiliation and name of the institution.
9. They should mention the complete address with email id of the corresponding author.
10. All the communications to be sent only to the corresponding author.
11. Indian Journal of Natural Sciences publishes only the science based papers including Mathematics and Engineering. IJONS cannot accept the papers belong

to the area such as Management, Commerce, and Economics etc. There is no intimation from IJONS for the unaccepted papers.

12. After received the paper from the author, the IJONS will sent the acknowledgement with Reference No.
13. After receiving the acknowledgement, the authors are instructed to pay the processing and publication fee within 2 days. The processing and publication fees should be deposited in the account given by IJONS. The Indian authors are instructed to mention the **IFS** code and the foreign authors are instructed to mention the **SWIFT** code during the payment of publication and processing fee.
14. The acceptance letter will be sent and the IJONS is a bimonthly journal and the authors are instructed to send the papers rapidly.
15. After received the acceptance letter, the mail and phone contacts from the authors are not encouraged. The authors no need to send the queries after receiving the acceptance letter. If any changes, the authors are intimated to IJONS before the payment of Publication and Processing fees. The paper will be published and the soft copy of the paper will be sent to the corresponding author.
16. IJONS asked the authors to kindly follow the instructions before sent the paper to us.
17. The Indian Journal of Natural Sciences got NASS Govt. of India rating with the cooperation from the authors. To enhance the NASS rating, the IJONS need the kind cooperation from all the authors.

Thanking you

Naturally Yours

Dr.S.Vijikumar
