Call Letter for BSS Membership & 8th Annual Awards 2017-2018

Our Bose Science Society (BSS) encourages the scientific community peoples such as Research Scholars, Faculty Members and Students to do the advanced research in their respective fields (All science fields). BSS motivates the young researchers to publish and present their research work since 1999. Every year, Bose Science Society provides awards to the Best Researchers and Scientists (for registered members). In this academic year, BSS is going to organize an award presentation ceremony at Pudukkottai on **January 2018**. Applications are invited from the eligible candidates to join as a member in Bose Science Society (professionals' wing). Send your filled application along with latest updated resume to us by our official mail ID tnsroindia@gmail.com.

Please download our prescribed application form from our website <http://tnsroindia.org.in/membership.html>. Registered members are also sending your nominations with recommendation for new/fresh membership.

Thanks and Regards
Naturally yours
